From the Author:
Hello friend,

I'm happy that you came across my stories. "Sentimental Stories" is a series of short tales — just enough time to drink a cup of tea or coffee — created to ignite your imagination. I wrote them with intentional twists at the end, each story serves as a good reminder that things aren't always as they appear. I would love for you to take your time reading, maybe one story at a time, so you have a chance to day-dream yourself. I hope they bring enjoyment to your soul as they did to mine when I wrote them. Beautiful journey to you!
