Sarah Green is a girl with a dark past. She carries memories, bad memories, that a girl her age shouldn't even know of. Luckily for her, she can count on Vance who's very supportive.

He lives in a beautiful mansion and offers her a place to stay. Vance is a member of a shapeshifting wolf pack and he's two-hundred and twelve years old. He protects Sarah from all the evil in the world, or at least that's what he's trying.

But when an old part of her life comes knocking on her door, their lives will forever change.

This is the reworked version of a story I have published before. The older version is not available anymore.
