#### Whitetail Wisdom Dragan Vujic

Time is a common constraint experienced by most whitetail hunters. The purpose of this book is to offer a variety of suggestions on how to optimize your time in the field and maximize your annual harvest. I will be presenting some field tested ideas on how to hunt more effectively and how to kill more whitetails. Although aspects of the information that you will read may run contrary to conventional wisdom and, at times may appear to be radical, I have field tested all of these theories and found them to be most effective. If you want to experience better results, you have to try new methods. Trial and error is an effective way of becoming proficient at hunting whitetails. Learning from others may save you some time.
