Delia Bridges is done living in the shadows cast by her ex-convict father and her football star brother. Attending Cook University will finally give her the chance to be her own person and hopefully find love at the same time. When she meets Wyatt Johnston, she knows immediately he's the one.

Wyatt fulfills all of Delia's requirements for the perfect man: he's rich, handsome, and a talented forward for Cook's soccer team. However, Wyatt turns out not to be the man she thought. When he dumps her and simultaneously ruins her reputation, she has to start over once again.

Levi Caldwell has every quality Delia doesn't want in a boyfriend. He has no money, works for the maintenance staff at Cook, and has no problem sharing his judgmental opinions about how Delia is living her life. Despite her growing attraction for the tattooed drummer, Delia tries to avoid Levi. But when a new crisis threatens to destroy all she has rebuilt, she finds Levi is the only person she can trust.
