Moving? You're in good company: 14% of Americans move each year. Despite all this relocation taking place around us it can still feel like a lonely process fraught with anxiety for you and your children. But it doesn't have to be this way. The Essential Moving Guide for Families is exactly what the title suggests. It features advice on the practical and the personal elements of a successful move - before, during, and after the move itself. Moving logistics are an important yet small part of a successful move. Ultimately, it is your attitude and actions which will determine the outcome of your move. Will my children and I be happy in our new location? Will we be able to meet the challenges that a move to a new location brings? Speaking from her experiences of moving on numerous occasions as a child and as an adult through corporate relocations, Sara Boehm offers important advice she and others have found valuable to help you make the most of your new adventure. With preparation, thoughtfulness, and planning you can manage your move in a successful and even beneficial way for yourself and your family. Let the adventure begin!
