## **The True Spouse of Jesus Christ: Or The Nun Sanctified by the Virtues of Her State (Volume 1) St Alphonsus M Liguori CSSR**

The saint himself tells us that his book is suitable not only to nuns, but also to all members of the religious state, in that which refers to the observance of the vows, regular discipline, and the perfection of their state. As for the practice of Christian virtues, the work will be found highly useful even for seculars. We add that this volume should with greater reason be serviceable to ecclesiastics, especially to those that are charged with the difficult task of directing souls in the spiritual life; they may draw therefrom lights that may not perhaps be found as clear and as sure elsewhere.
