A New Economic History of Colonial India

A New Economic History of Colonial India

A New Economic History of Colonial India provides a new perspective on Indian economic history. Using economic theory and quantitative methods, it shows how the discipline is being redefined and how new scholarship on India is beginning to embrace and make use of concepts from the larger field of global economic history and economics.

The book discusses the impact of property rights, the standard of living, the labour market and the aftermath of the Partition. It also addresses how education and work changed, and provides a rethinking of traditional topics including de-industrialization, industrialization, railways, balance of payments, and the East India Company. Written in an accessible way, the contributors – all leading experts in their fields – firmly place Indian history in the context of world history.

An up-to-date critical survey and novel resource on Indian Economic History, this book will be useful for undergraduate and postgraduate courses on Economic History, Indian and South Asian Studies, Economics and Comparative and Global History.

From reader reviews:

Ronald Searle:

Book is definitely written, printed, or created for everything. You can recognize everything you want by a guide. Book has a different type. We all know that that book is important factor to bring us around the world. Close to that you can your reading skill was fluently. A reserve A New Economic History of Colonial India will make you to be smarter. You can feel far more confidence if you can know about anything. But some of you think this open or reading a book make you bored. It is far from make you fun. Why they may be thought like that? Have you in search of best book or appropriate book with you?

Jason Wahl:

Reading a guide tends to be new life style in this particular era globalization. With examining you can get a lot of information which will give you benefit in your life. With book everyone in this world can easily share their idea. Publications can also inspire a lot of people. A lot of author can inspire their particular reader with their story or even their experience. Not only the story that share in the guides. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors these days always try to improve their skill in writing, they also doing some study before they write with their book. One of them is this A New Economic History of Colonial India.

Rafael Perez:

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some reserve, they are complained. Just minor students that has reading's heart or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this A New Economic History of Colonial India can make you really feel more interested to read.

Thomas Busch:

What is your hobby? Have you heard which question when you got learners? We believe that that concern was given by teacher on their students. Many kinds of hobby, Everybody has different hobby. And you know that little person similar to reading or as reading through become their hobby. You need to understand that reading is very important as well as book as to be the issue. Book is important thing to add you knowledge, except your teacher or lecturer. You see good news or update concerning something by book. Amount types of books that can you choose to adopt be your object. One of them are these claims A New Economic History of Colonial India.
