In the world of espionage and terrorism, nothing is ever quite what you expect. It's always worse.

Beck Casey, the college-professor-cum-spy protagonist of the bestselling *Final Epidemic*, returns— now, to confront the very real nightmare that that haunts every national-security expert today: nuclear terrorism in the American homeland.

Joining him in *Fire Of The Prophet* is a cast of faces both new and familiar:

- Jeffrey Connor, a rising star at the FBI's Counter-Terror Division; a natural leader despite his youth, he's tasked to lead a desperate hunt for an elusive "blue-eyed terrorist."
- Katie Casey, Beck's daughter and an ambitious D.C. lawyer; she is fiercely loyal, romantically—and unexpectedly— linked with Connor... and trapped both in a doomed city and in a hackles-raising relationship between father and lover.
- Fatíma Huntsman, the daughter of a Palestinian activist and an American woman, now radicalized as a terrorist and armed with a nuclear device in a mission against her fellow American citizens.
- Dennis Littrell, a self-described ""overly seasoned"" veteran news journalist, looking for professional redemption through one last story— a story that might save his nation and the world from a devastating global conflict... or could plunge it irrevocably into one.

In suspense-filled progression, *Fire Of The Prophet* builds from an opening set along the U.S.-Mexican border through the battlefields of the Middle East, and ultimately takes the reader to a looming Armageddon... in the capital of the United States.

“Hits you like a freight train, then drags you along for the ride. Earl Merkel's latest is a master's degree in terrific writing, strong characters, and just plain excitement. Don't you dare miss it.” —Shane Gericke, National bestselling author of *TORN APART*

“Earl Merkel's new thriller, *Fire Of The Prophet*, is a frightening and extremely well-crafted narrative of today's domestic-terror nightmare, from the specter of the 'blue-eyed terrorist' to the dark international conspiracies aimed at the heart of America in our world today...” —Bob Hamer, author of *The Last Undercover* and former FBI undercover agent
