How to Take Great Group Photos Robert Bezman

Finally... a step-by-step approach for taking flawless group photographs - regardless of your equipment or experience.

After 17 years as a professional photographer, the most frequent question I get is: "What do I DO?" and the answer needs to be easily understood in 60 seconds or less.

This e-Book is the result... everything you need to take better group photos, for every group size. In addition, we include over 460 sample group pictures which contain dozens of critiques of what was done well and what could be improved.

This eBook will help you:

- * Discover the secrets for achieving the best group composition, background, and pose for any group size
- * Understand how to properly use your flash to defeat shadows, not create them
- * Take memorable group pictures regardless of group size or environment; indoors or outdoors, day or night
- * Gain Instant Photographic Experience by reviewing critiques of more than 60 sample group pictures; listing what was done right, what could be improved upon, and WHY
- * Confidently be able to pose your subjects by knowing what to say and do, and when

It doesn't matter what equipment you use. Just follow the instructions in this e-Book and you will find nervousness replaced with confident assurance whenever you take group photos.
