The Feral Breed Series Bundle: Books 1-3 Ellis Leigh

The first three books in the bestselling Feral Breed series!

A moment of fate interrupted by danger.

A centuries-old legend comes true.

A love that breaks every boundary.

CLAIMING HIS FATE

Rebel Lynch spent two hundred years searching for balance between his human side and his inner wolf. As a den President of The Feral Breed Motorcycle Club, a lack of control over the beast within isn't just a pain in the ass, it's a death sentence. One served by his club brothers: the judges, jury, and executioners of the wolf-shifting community.

At Amnesia Gentlemen's Club, customers and staff check their real-world identities at the door. Charlotte, one of the club's best waitresses, ditched her legit career in corporate IT because she needs the kind of income those pesky IRS folks can't track. When the smart-mouthed bombshell pulls a gig serving a private party, she expects nothing more than a few extra tips. That is until dirty-talking Rebel Lynch strolls into the room looking like sin incarnate, flashing motorcycle club colors, and blasting Charlotte's expectations about work, life, and love straight to hell.

One glance at Charlotte and Rebel knows she's his fated mate. But a wolf shifter is attacking women at the club, threatening Charlotte's life, and putting the entire shifter community at risk of exposure. If Rebel can't uncover the new monster in their midst--and learn to rein in the protective instincts of a fully mated Alpha--his future with Charlotte will be dead on arrival.

CLAIMING HIS NEED

Gates is a legend among his fellow wolf shifters. For more than four centuries, he's lived without a mate, something nearly unheard of in his breed. He's spent that time mastering the art of the kill, becoming a lethal weapon for the Feral Breed Motorcycle Club, and earning a reputation as the Gatekeeper.

Kaija Wariksen grew up as the Valkoisus pack princess. The Alpha's only daughter and a powerful Omega shewolf, Kaija's beauty and place within the pack hierarchy makes her the focus of desire for many of the unmated males, especially one she's desperate to stay away from.

But when a territory dispute turns into a kidnapping, Gates and his Feral Breed brothers are called to assist the Valkoisus pack in a rescue operation. Gates soon discovers there's more in store for him than a fight. He finds his mate in the Alpha's daughter, a woman targeted by a mystery sect kidnapping Omega shifters. To

keep the Valkoisus pack safe, the Feral Breed must put Kaija in danger, risking the only thing Gates has ever needed, and igniting a rage that could destroy the entire wolf shifter population.

CLAIMING HIS WITCH

Only ten years into his new life as a wolf shifter, Feral Breed MC prospect Pup is struggling to find his place. A throwaway kid in his human past, the only time he's ever felt at home is when he's riding with his Breed brothers. But a mistake that nearly ended the life of his leader's mate haunts him, and he'll stop at nothing to prove his worth.

Orphaned at birth, Azurine and her sisters have been raised on string magick, grimoires, and the strength of the elements around them. Growing up surrounded by the witches in their coven, there's never been a lack of a maternal element to support her. But she's always been the "middle Weaver," forced to accept the coven's refusal to see the girls as anything other than the Weaver triplets.

When a witch hunter invades the coven's home, the witches lash out at the nearest suspect... and one of their own. Betrayed by her coven, Azurine must choose between the only family she's ever known and the man fate tied to her soul. And as Pup tries to earn the respect of his club, he makes a decision that could cost him more than his place in the Feral Breed. It could cost him Azurine. Or his own life.
