Based on the reputable US text, the 2nd Southern African Edition of "Crafting & Executing Strategy" covers what every senior-level or entry-level MBA student in Southern Africa needs to know about crafting, executing and aligning business strategies, through presentation of core concepts and analytical techniques. A separate case and readings sections build on the main text by demonstrating the theory in practice. The core concepts are explained in language that Southern African students can grasp and provide relevant examples as used by small, medium and large SA companies.
