Magnificent Obsessions: Honouring the Lives of Hazel Rowley Rosemary Lloyd

This volume is a tribute to the life and work of Hazel Rowley, internationally acclaimed biographer who died unexpectedly in March 2011. Her passions were many and varied: biography, politics, questions of race and sexuality, the ways in which couples negotiate the dilemmas posed by the need to retain their individuality while building a life as a couple, the deleterious effects of imposing a corporate mentality on universities - all these, and more, were subjects of intense interest to her. This collection combines essays responding to many of those interests with creative writing to honour the complexity and variety of her own magnificent contribution.
