**Wrapping with Fabric: Your Complete Guide to Furoshiki-The Japanese Art of Wrapping** Etsuko Yamada, Kanji Okamoto

**Wrap anything from a wine bottle to a yoga mat with this practical Japanese fabric-wrapping book.**

Long before today's eco-friendly philosophy of "reduce, reuse, recycle" entered America's collective consciousness, furoshiki—the Japanese method of wrapping things with fabric—flourished as a time-honored and practical art form. In *Wrapping With Fabric*, Etsuko Yamada—born into a long-line of furoshiki makers in Kyoto—explains the "*one cloth, many uses*" ideology behind the craft, the etiquette of color and the craft's fascinating history. From there, she shares the myriad ways in which a few basic techniques can transform a simple square of cloth into an elegant wrapper.

## Use your folded fabrics to:

- Gift-wrap anything from books to flowers
- Bundle up a picnic
- Tote items around
- Use as a handbag or backpack
- Make into a pillow covering
- Create decorative coverings for vases, tissue boxes, and more

A quiet reminder that opportunities for artistry are everywhere around you, *Wrapping With Fabric* is the craft book that makes it easy to bring a touch of grace and ingenuity to everyday life—and help preserve the environment, too.
