You Don't Say: A Story about My Aunt Emma Moon Mullens

You Don't Say begins in the family cemetery where a nephew seeks to learn what happened in his favorite aunt's life, the aunt who loved and nurtured him in his youth. What he learns is incredible and unexpected, though he is unsurprised to hear his aunt overcame every misfortune with her usual poise and dignity.

When her fiancé joins the Marines and is presumed KIA, she joins the Navy Nurses Corps with two of her friends. On the way to their station in the Pacific, her ship is sunk, and she is taken to the Philippines as a Japanese POW. When she is miraculously rescued, she comes home only to find that her fiancé is alive and married to her sister.

Tragedy after tragedy occurs, forcing her to leave to find the happiness she seeks, only to come home one last time.

You Don't Say is a sensational but true historical account of a young woman who struggled to make her simple dream of being happy and content come true.
