As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Lobo the Duck, Edition# 1 can make you feel more interested to read.
