Make Money Self-Publishing : Learn How from Fourteen Successful Small Publishers Suzanne P. Thomas

Many fine books exist that explain to authors how to self-publish. Make Money Self-Publishing shows them how to make money doing it. Readers are introduced to the publishing world and its jargon in Chapter One, Self-Publishing 101. Then the following chapters introduce readers to a variety of small publishers. They range in age, marital status, physical location, subject matter, and favorite marketing approaches, but they are all profitable. Readers will discover how to start their business on a shoestring if necessary (Chapter Seven), sell tens of thousands of cookbooks (Chapter Three), or plunge into the world of e-books (Chapter Fifteen). The appendices supply contact information for printer and self-publisher associations across the country, recommended books, useful web sites, and more. Particular topics can be found easily and quickly by referencing the comprehensive index.
