"Bryce had a determined look in his eyes. His lips parted slightly, and he looked like he was about to devour me.

Sarah Wyland is surprised to discover that her school's guest speaker is self-made billionaire Bryce Callaway. She's the only one who knows his secret: he grew up in a trailer park, the exact same one where Sarah spent her childhood.

But Bryce has a secret of his own that nobody knows. He's under a curse that turns him into a monster, and worse. For as long as he's cursed, no woman will ever love him.

He's given up all hope to find the mate he yearns for, until he's invited to speak at a local university and meets a girl he used to know...
