The Divine Science: Eternal Techniques of Authentic Mysticism Samael Aun Weor

For thousands of years the great spiritual adepts from all corners of the globe have guarded the secret teachings of the Divine Science, the systematic and exact process that awakens the mystical capabilities of the human soul. Now, anyone can receive these teachings and cultivate the high spiritual levels that have been lost for ages. In all ancient religions and cultures, wise men and women utilized sacred words, the intonations of mantras, and the use of the magical art of Theurgy, the science of consciously influencing nature according to Divine Guidance and by the power of the Logos: the Word. "In the beginning was the Word, and the Word was with God, and the Word was God." - The Holy Bible (Christian) "I (Osiris) brought my own name into my mouth as a Word of Power, and I forthwith came into being under the form of things which are and under the form of Khepera (Creator)." - The Book of Knowing the Evolutions of Ra, and of Overthrowing Apep (Egyptian) "In a year he (Prajapati) desired to speak. He uttered 'bhurbhuva svar'. 'Bhur' which means earth; 'bhuva' which became figment and 'svar' which became the sky... with his mouth he created the gods." - The Satapatha Brahmana (Hindu) "This is the beginning of the ancient Word... the potential and source for everything done." - The Popol Vuh (Mayan) Learn sacred words (mantras) for astral projection, protection from dark forces, practices for the discovery and exploration of the internal worlds, mystic healing, invocation of Masters and Divine Intelligences, and working with nature spirits and elementals. Topics include: The Logos; Mantra; Theurgy; The Angel Aroch; The Jinn State; The Bird of Minerva; The Chakras; Astral Travel Experiences; Special Exercises; Light and Darkness; White Magic and Black Magic; The Flaming Forge of Vulcan; Akasha; Theurgy, Goeteia, and Spiritualism; The Conjunction of the Seven; The Ain Soph; The Superior Beings of the Ain Soph; Incarnation of the Logos and of the Kundalini; The Keynote and the Seven Vowels; Geometry of the Word; Sexual - Laryngeal Relationship; The Arcanum AZF and the Third Logos; Defense Against Black Magic; How to Perform the Eucharist at Home; and much, much more.
