Darkness. The absence of light, hope, and direction. It is a word that is as pervasive in our language as its consequence is on society. A shot in the dark. To be in the dark. The darkest hour is before dawn. Darkness is the foil for all we consider good in the world—the natural enemy of good, and the virtues of the human spirit. Peter Benenson once said that it was better to light a candle than curse the darkness. *Darkly Never After*, a diverse collection of dark fairy tales and fiction, chooses to light the world with its very mission statement. All proceeds from this international volume will benefit children in need. From classical reimaginings of old classics, to brand new tales of adventure and deceit, *Darkly Never After* has fairy tales for the sophisticated and worldly mind. Visit the fantastical worlds your childhood books introduced you to, with a touch of maturity for the older reader. Light a path in the darkness. Become the candle for the lost.
