Clinical Recognition of Congenital Heart Disease

Joseph K. Perloff MD

Clinical Recognition of Congenital Heart Disease Joseph K. Perloff MD

Lauded as "the classic reference" and "monumental work by a master cardiologist" in its previous editions, the 4th Edition remains the only book dedicated primarily to the clinical manifestations of unoperated congenital heart disease from birth through adulthood. The text presents full coverage of the natural history, physical signs, electrocardiographic, radiologic, and 2D echocardiographic features of congenital heart disease.
