"The heir to the Lux series." *Dreamland Teenage Fantasy*

I've fallen hard for an alien, but he's harboring secrets.

Massive ones that threaten the very essence of humanity.

How can I give him my heart when his race plans on taking my future?

Sadie Owens has been slowly dying inside. Bit by bit, piece by piece, day by day. Trapped in a life she hates, she relies on only one person--herself.

Despised by her family and betrayed by an unscrupulous government, Sadie dreams of a different life. When she is chosen to participate in the government's new social experiment, she is ecstatic at the prospect of spending six months in Thalassic City, the shiny new city under the sea.

Immediately drawn to Logan Chandler, Sadie is captivated by the beautiful boy with the ocean-blue eyes. Logan seems to embody everything that has been forbidden, but he isn't all he appears to be.

Confused over Logan's true intentions and concerned when best friend Jenna starts transforming in front of her eyes, Sadie partners with newcomer Jarod in a bid to uncover the government's real agenda. The truth is more shocking than anything she could ever have imagined.

When Sadie finally understands why the Saven walk among us, will it be too late to save her heart and the human race?
