How do you convince your loved one to seek help for a problem they haven't come to terms with yet?

This is the first and most important problem to address when it comes to treating addicts and alcoholics, yet most treatment specialists and doctors don't have an answer. In fact, they seem to avoid this question altogether.

There's tons of advice and information for addicts in recovery, but almost none that will help them get there. If you love an addict who does not yet know they are an addict, this book will help you.

If you are tired of dealing with an addict who has been in and out jail and rehab, this book will help you break that cycle.

If you are fighting with someone who doesn't think they are an addict, this book will show you how to talk to them to get them to see the things they are doing.

Dealing with a loved one who is actively using drugs and struggling with addiction can put a major strain on your family.

Rehabilitation, interventions, and even jail are touted as the only options families have. **That's not true.**

There are lots of effective ways to stop addictive behavior long before an addict reaches the point where they are in serious trouble.

Grab your copy and learn more now.
