A guy. A girl. A Chihuahua. Two of them will find the love of their lives.

*Konigsburg, Book 1*

Coming off a broken engagement to a lying charmer, all bookstore owner Docia Kent wants is a fling, not a long-term romance. And for her fabulously wealthy and fabulously nosy parents to butt out of her life for a while. The Texas Hill Country town of Konigsburg looks like the perfect place to get both. Especially when she gets a look at long, tall country vet Cal Toleffson.

Cal has other plans for Docia. One glance at the six-foot version of Botticelli's Venus, and he knows he's looking at the woman of his dreams. Now if he can just fend off the eccentric characters of Konigsburg long enough to convince her romance isn't such a bad idea.

One night of mind-blowing sex isn't the only thing that leaves them both stunned. With Docia's bookstore under attack, Konigsburg suddenly doesn't seem so welcoming. Once again she finds her trust tested—and is left wondering if she was ever meant to have a happily ever, after all.
