Your Kids Will Love This Large Print ABC Coloring Book!

This book was created for very young children that are just starting to learn their ABCs and numbers.

Each easy-to-color full page letter is accompanied by an animal whose name starts with the letter as a friendly reinforcement.

The numbers 1 - 9 are also included with each having the appropriate number of animals as well to help with counting skills.

As a bonus there are 15 large simple animal images at the end making for a total of 50 giant images (each printed on its own page) to color.

Take a **Look Inside** to see examples of the images!

From reader reviews:

Nathaniel Thomas:

Book is to be different per grade. Book for children till adult are different content. As you may know that book is very important normally. The book ABC Coloring Book seemed to be making you to know about other understanding and of course you can take more information. It doesn't matter what advantages for you. The guide ABC Coloring Book is not only giving you far more new information but also being your friend when you feel bored. You can spend your spend time to read your e-book. Try to make relationship together with the book ABC Coloring Book. You never truly feel lose out for everything when you read some books.

Justin Fernandez:

Now a day individuals who Living in the era just where everything reachable by connect with the internet and the resources inside it can be true or not require people to be aware of each data they get. How individuals to be smart in obtaining any information nowadays? Of course the reply is reading a book. Reading through a book can help persons out of this uncertainty Information specially this ABC Coloring Book book because book offers you rich info and knowledge. Of course the information in this book hundred percent guarantees there is no doubt in it everbody knows.

David McGowan:

Your reading sixth sense will not betray you, why because this ABC Coloring Book book written by well-known writer whose to say well how to make book that could be understand by anyone who all read the book. Written inside good manner for you, leaking every ideas and creating skill only for eliminate your current hunger then you still hesitation ABC Coloring Book as good book not just by the cover but also from the content. This is one publication that can break don't assess book by its handle, so do you still needing yet another sixth sense to pick that!? Oh come on your reading through sixth sense already said so why you have to listening to a different sixth sense.

Jeff Brown:

In this era globalization it is important to someone to obtain information. The information will make you to definitely understand the condition of the world. The condition of the world makes the information easier to share. You can find a lot of references to get information example: internet, magazine, book, and soon. You will see that now, a lot of publisher that print many kinds of book. The book that recommended to you personally is ABC Coloring Book this reserve consist a lot of the information with the condition of this world now. This kind of book was represented so why is the world has grown up. The terminology styles that writer value to explain it is easy to understand. Often the writer made some analysis when he makes this book. That is why this book suited all of you.
