Steve McIntosh is a very troubled man who devises a plan to come to terms with his life's greatest failures. As his tenuous grasp on sanity begins to unravel, however, he quickly realizes that he may be out of his depth. Undeterred by mounting failures, he struggles to keep his plan on track, even as the circumstances spiral badly out of his control.

Diane Edwards falls prey to McIntosh but refuses to play the helpless victim. Relying on her limited resources, and driven by her unyielding sense of hope, Diane fights against all odds to save herself from the delusional maniac's increasingly horrific intentions.

Will the bravery and sacrifice of a handful of strangers converge to overcome the evil lunacy of a desperate and deranged sociopath before his murderous endgame is realized?
