Dharamsala Days, Dharamsala Nights: The Unexpected World of the Refugees from Tibet Pauline MacDonald

Meticulously researched, Dharamsala Days Dharamsala Nights transports readers to a place of suffering, laughter, sex, and violence, where almost nothing is what it appears to be. Before heading to Dharamsala in 2003 to undertake volunteer work with Tibetan refugees, Pauline MacDonald thought that she understood the situation: in 1959, approximately 80,000 had fled Tibet with the Dalai Lama, and since the 1980's, a new wave of refugees, the newcomers, had risked their lives to join them in what she expected to be a unified community. But upon arriving in Dharamsala, she was shocked to discover that newcomers were shunned by most of the established Tibetan community. Denied legal status by the Indian government, most adult newcomers were quietly sent back to Tibet to face prison and torture. While thousands of tourists converged on the tiny town each year to practice Buddhism, study yoga, or spend their holidays partying, young newcomer men who refused to return to Tibet received no aid and faced severe shortages of jobs and women, and thus many turned to foreign visitors for food, shelter, visas, sex, and, sometimes, enduring love. No human rights activists, journalists, or academics that Pauline encountered were interested in investigating the situation. She returned to Dharamsala time and again, her faith in humanity shattered, spending countless nights drinking with newcomer intellectuals and party boys, meanwhile quietly gathering documentation that might one day be useful. As the years passed, the newcomers' situation improved only marginally, and Pauline realized that no one else was going to take up their cause. In 2011, she began this, her first book. In a final disturbing twist, in 2012, as self-immolations in Tibet became commonplace, many of the newcomers who could remain legally in India gave up on the society that fought so hard for human rights in Tibet yet rejected those who escaped and quietly joined the exodus back to Tibet. Dharamsala Days, Dharamsala Nights chronicles Pauline's life in the newcomer world and her quest to uncover the truth behind an unreported human rights disaster.

From reader reviews:

Arturo Hasan:

Do you have favorite book? In case you have, what is your favorite's book? Guide is very important thing for us to learn everything in the world. Each reserve has different aim or even goal; it means that guide has different type. Some people sense enjoy to spend their time and energy to read a book. These are reading whatever they take because their hobby is actually reading a book. Why not the person who don't like reading through a book? Sometime, man feel need book whenever they found difficult problem or even exercise. Well, probably you will want this Dharamsala Days, Dharamsala Nights: The Unexpected World of the Refugees from Tibet.

Ashley McKay:

Reading a reserve tends to be new life style within this era globalization. With studying you can get a lot of information that will give you benefit in your life. Together with book everyone in this world can share their idea. Books can also inspire a lot of people. Many author can inspire their particular reader with their story as well as their experience. Not only the storyline that share in the textbooks. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors on this planet always try to improve their proficiency in writing, they also doing some exploration before they write on their book. One of them is this Dharamsala Days, Dharamsala Nights: The Unexpected World of the Refugees from Tibet.

Kim Deyoung:

Playing with family in a very park, coming to see the marine world or hanging out with close friends is thing that usually you have done when you have spare time, subsequently why you don't try thing that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Dharamsala Days, Dharamsala Nights: The Unexpected World of the Refugees from Tibet, it is possible to enjoy both. It is good combination right, you still wish to miss it? What kind of hang type is it? Oh can occur its mind hangout fellas. What? Still don't understand it, oh come on its referred to as reading friends.

Jonathan Smith:

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's spirit or real their passion. They just do what the educator want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Dharamsala Days, Dharamsala Nights: The Unexpected World of the Refugees from

Tibet can make you feel more interested to read.
