Henri Lefebvre and the Spanish Urban Experience: Reading from the Mobile City Benjamin Fraser

An important contribution to the still evolving field of 'urban cultural studies,' *Henri Lefebvre and the Spanish Urban Experience* is the first book to thoroughly apply the French urban philosopher's thoughts on cities to the culture and literature of Spain. Fraser shows how Lefebvre's complex view of the city as a mobile phenomenon is relevant to understanding a variety of Spanish cultural products—from urban plans and short writings on the urban experience during the nineteenth century by Mariano José de Larra, Ramón de Mesonero Ruanos, and Ildefonso Cerdà to urban theories, cultural practices and literary fiction of the twentieth by Luis Martín-Santos, Juan José Millás, Juan Goytisolo, and Manuel Delgado Ruiz. He pushes on to interrogate even the appearance of Mediterranean space and Barcelona in recent video games.

Working through the direct and indirect resonance of the French philosopher's legacy in Spain, a comprehensive first chapter grounds the reader in the key concepts of Lefebvre's urban theory that are explored throughout the book—his critiques of static space, modern urban planning, knowledge, alienation in everyday life and his emphasis on a method that underscores the importance of movement and rhythm. Fraser compellingly shows how each of these aspects of Lefebvre's work relates to the others, just as he ties together canonical and non-traditional cultural products from Madrid and Barcelona.

This great information could drawn you into completely new stage of crucial pondering.

Robert Garcia:

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just little students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Henri Lefebvre and the Spanish Urban Experience: Reading from the Mobile City can make you experience more interested to read.
