Tomatoes laugh, chiles explode, and tortillas applaud the sun. With joy and tenderness, delight and sadness, Frances X. Alarcón's poems honor life and nature: welcoming the morning sun, remembering his grandmother's songs, paying tribute to children working in the fields, and dreaming of a world filled with gardens. Artist Maya Christina Gonzalez invites readers to experience the poems with her lively cast of characters - including a spirited grandma, four vivacious children, and playful pets who tease and delight. Follow them from page to page as they bring each poem to colorful life. Laughing Tomatoes is a verbal and visual treat, giving readers eighteen opportunities to see everything for the first time.
