Leaf Man big book Lois Ehlert

Fall has come, the wind is gusting, and Leaf Man is on the move. Is he drifting east, over the marsh and ducks and geese? Or is he heading west, above the orchards, prairie meadows, and spotted cows? No one's quite sure, but this much is certain: A Leaf Man's got to go where the wind blows.

With illustrations made from actual fall leaves, and die-cut pages on every spread that reveal gorgeous landscape vistas, here is a book that celebrates the natural world and the rich imaginative life of children. Includes an author's note and leaf-identifying labels.
