**Mathematics in Action: Prealgebra Problem Solving (3rd Edition)** Consortium for Foundation Mathematics

The first book of the **Mathematics in Action** series, **Prealgebra Problem Solving, Third Edition**, illustrates how mathematics arises naturally from everyday situations through updated and revised real-life activities and the accompanying practice exercises. Along with the activities and the exercises within the text, MathXL<sup>®</sup> and MyMathLab<sup>®</sup> have been enhanced to create a better overall learning experience for the reader. Technology integrated throughout the text helps readers interpret real-life data algebraically, numerically, symbolically, and graphically. The active style of this book develops readers' mathematical literacy and builds a solid foundation for future study in mathematics and other disciplines.
