Pygmalion and Major Barbara (Bantam Classics)

George Bernard Shaw

Pygmalion and Major Barbara (Bantam Classics) George Bernard Shaw

George Bernard Shaw was the greatest British dramatist after Shakespeare, a satirist equal to Jonathan Swift, and a playwright whose most profound gift was his ability to make audiences think by provoking them to laughter.

In one of his best-loved plays, *Pygmalion*, which later became the basis for the musical *My Fair Lady*, Shaw compels the audience to see the utter absurdity and hypocrisy of class distinction when Professor Henry Higgins wagers that he can transform a common flower girl into a lady—and then pass her off as a duchess—simply by changing her speech and manners.

In *Major Barbara* Shaw spins out the drama of an eccentric millionaire, a romantic poet, and a misguided savior of souls, Major Barbara herself, in a topsy-turvy masterpiece of sophisticated banter and urbane humor. His brilliant dialogue, combined with his use of paradox and socialist theory, never fails to tickle, entertain—and challenge.
