## **"Why Not Us?": A Chronology of the Seattle Seahawks First Super Bowl Title Season** Mark Arnold

After reading Pete Carroll's book "Win Forever" I had a really good feeling about the Seattle Seahawks and their 2013 NFL season. Call it a premonition, but I kind of knew this would be the year they would go to and win their first Super Bowl. Having this awareness at the outset of the season, I realized that I had an opportunity: why not create a week by week chronology of the season as it progressed, documenting the team's exploits as they advanced through the campaign to the Big Game? I am also a blogger and I thought it would be cool to publish my reports, both as the season went along as a blog, and after it was over as a book. So that is what I did, and that is what you have in "Why Not Us? A Chronology of the Seattle Seahawks' First Super Bowl Championship Season". If you are a "Twelve" or just a fan of football, you will love it!
