All Grown Up (The Men of Wolff Mountain Book 5) Janice Maynard

Believing Sam Ely was the only one for her, young Annalise Wolff threw herself at him. But he claimed he was too old for her...and that she was too forward. Seven years later, she's still reeling from his words, vowing never to forgive. Then she's offered a job she can't refuse.

Although it means working closely with Sam, Annalise is determined to ignore age-old feelings. But then a snowstorm strands them together...without power...without family interference...without inhibitions. And Annalise has to decide if falling for Sam again is worth the risk of a second broken heart.
