Among the Truthers: A Journey Through America's Growing Conspiracist Underground Jonathan Kay

From 9/11 conspiracy theorists and UFO obsessives to the cult of Ayn Rand and Birther crusaders, America is suffering from an explosion in post-rationalist ideological movements. In *Among the Truthers*, journalist Jonathan Kay offers a thoughtful and sobering look at how social networking and Web-based video sharing have engendered a flourishing of new conspiracism. Kay details the sociological profiles of ten brands of modern conspiracists—the Failed Historian, the Mid-Life Crack-Up, the Damaged Survivor, the Campus Revolutionary, the Stoner, the Clinical Case, the Puzzle Solver, the Christian Doomsayer, the Cosmic Voyager, and the Egomaniac—in a compelling exploration of America's departure from reason and what it means for the very future of rational discourse as the nation steps further into the 21st century.
