Autour de la littérature: Ecriture et lecture aux cours moyens de français Peter Schofer, Donald B. Rice
The Sixth Edition of AUTOUR DE LA LITTÉRATURE retains its unique approach to literature, encouraging students to play and create with the language as they explore both classical and non-traditional Francophone literature. AUTOUR DE LA LITTÉRATURE is printed in workbook format in order both to facilitate writing activities and to break down the fear and mistrust that many students have of literature. While maintaining the basic style and thrust of previous editions, changes are aimed at responding even more directly to changing student interests. The new edition includes several new readings and all new ""publicites"", in addition to a new Premium Website featuring the textbook audio program, which features audio recordings of selected readings from the text. A free companion website that accompanies AUTOUR includes reading guide questions, internet activities, and color versions of the text's featured publicites.
