Welcome to SPERO HEIGHTS...

a little town where supernaturals who have lost their bump in the night go to recover. Tucked in the wooded Ozark Mountains, the humans are rarely cause for concern, but the citizens of Spero Heights have enough past to go around.

Zelda, once a powerful witch doctor, lost everything in a tragic accident. She now lives a more humble life, patching up werewolves and putting them to work in her pub, the Crimson Moon, until a neighboring pack objects and begins a sabotage campaign against her.

Logan, the little brother of a council member, breaks away from his sister's shadow to pursue the elusive and mysterious Zelda. But can he break through her protective shell before the Raymore Clan runs her out of town?
