Feed Me, Fuck Me, Shut the Fuck Up - A Very Short Guide to a Long-Lasting Relationship Brian Conley

Feed Me, Fuck Me, Shut the Fuck Up is the brutally honest, insightful, and hilarious book your man wishes he could give you for Christmas or Valentine's Day without getting cussed out. Self-proclaimed relationship guru, Uncle B. has written a short, practical guide on how to hold on to your man by going back to basics and doing the things that caught his attention in the first place.

In this book designed for brevity and levity, Uncle B. pits the so-called "successful, independent woman" versus "average women with a meal plan," explains why having a whole bunch of sex is probably better for you than for him, and reveals the best times to talk to your man about your feelings (usually never but, if you must, definitely not during the game).

Filled with quotes, anecdotes, and bonus chapters, FM, FM, StFU is the perfect guide for the modern woman in love with a modern man with old-school sensibilities.
