Grey Beard the pirate, arguing classmates, science work, and a Three-Headed Alien that is intent on blowing up the world, all make Kevin's week. Oh yeah, then there are the illegal fireworks. Is Kevin going to make it through?

Kevin and the Three-Headed Alien continues the story of Kevin, from Kevin and the Seven Lions, and introduces Jared, Sam, TJ and Sarah. Follow Kevin as his classmates discover that he writes down his daydreams and decides that Kevin needs to share his work, despite Kevin's determination to keep his work quiet.

"The book is also sharply written. Sentences are tight and neither overly simple nor overly complex. I'm no expert but vocabulary seems age appropriate. The tone of the writing is consistent and always effective. The book just seems to be respectful of the reader while having some fun with the whole world of third grade." From a top 1000 Amazon Reviewer Pop Bop.

"My 7-yr old gave it a thumbs up - especially loved the part about the fireworks (and the subsequent freaking out about them), that had him laughing and laughing!" excerpt from a Goodreads review.

"My nephew is a very picky reader so the fact that he loved it and has already read it so many times must mean that it is amazing." From Rae Holland on Goodreads.

Kevin and the Three-Headed Alien is an 11,000 word early chapter book, with illustrations by Carla Tracy, leveled for third and fourth grade readers. Chapters are 1-3 pages each. It is a story of friendship, and the joy of creativity.
