Pick Up Women Without Deception: Practical Approaches On Setting Your First Date Successfully

Jamie Wilson

Are you sick of seeing other (uglier) guys get those women of your dream? Would you like to reverse the situation and keep those women for yourself instead?

Unlike other books that promotes deception, or how to "bait and switch" or provide you with a bunch of theories you cannot use in real life; this guide provides practical advice for the average person to pick up women, date them, and if you are lucky, find love while understanding exactly what is it that women are looking for in a man.

In addition, you will also discover:

- How to achieve the desired traits of a charismatic man without being fake
- Simple yet practical pick up techniques to invite the women of your dreams into your life
- How to handle rejection effortlessly and get back into action quickly, so you can spend more time with the woman of your dreams rather than drinking yourself to sleep all alone
- Tips on setting your first date successfully that she will find you irresistible and want to be with you.
- Top 20 classic examples of "reading between the lines" when talking to a woman, so you know how women think and you can influence them more effortlessly.
- And much, much more

With this guide, you will begin to discover many ways you can apply today to find the love of your life while removing any confusion you may be facing right now.
