## **The Immigration Handbook: A Practical Guide to United States Visas, Permanent Residency and Citizenship** Ivan Vasic

While the United States remains a nation of immigrants, the path to citizenship is not an easy one--and in fact has become more difficult in recent years. In clear, readable language, this volume explains in detail every step an individual must take to obtain a nonimmigrant visa, an immigrant visa leading to permanent residency, or actual citizenship.

This book is essential reading for anyone involved with immigration--whether for themselves, a relative, or an employee. Examples of common immigration forms for the individual and for families are included and a list is provided of the most important websites for immigration issues.
