**Cricket Creek, Kentucky, is a sweet small town. But that doesn't stop a tomboy breakfast cook and a tabloid-magnet musician from getting into a little trouble together....**

Mattie Mayfield is more interested in fishing, four-wheeling, and mudding than being a girlie girl. But acting like one of the boys means she often gets ignored when it comes to romance—especially by Colby, her brother's best friend. Maybe if she changes the game, she'll finally start getting some attention.

Bad boy musician Garret Ruleman doesn't fit in with the crowd in Cricket Creek, but there's something about sweet, unassuming Mattie that catches his eye. Garret intends to ask her out, but all Mattie wants is for Garret to give her a makeover that will force Colby to see her as a real woman.

Garret agrees to help in return for lessons on how to become a Southern stud. And as the local girls start falling for the newly countrified Garret, Mattie wonders if in the end, they'd actually be perfect together....
