Franklyn M. Branley

**What the Moon is Like (Let's-Read-and-Find-Out Science, Stage 2)** Franklyn M. Branley

**Imagine that you're walking on the moon.**

What is it like?

For thousands of years people looked up at the moon and wondered about it. Now we *know* what the moon is like. There is no air on the moon and nothing grows, but there are towering mountains and deep craters--and much more!

Colder than the desert, the hotter than the desert, the moon is an amazing place to explore.
