In the short story “An Officer and a Gentleman,” set as a prequel in the world of The Chronicles of the Pneumatic Zeppelin steampunk adventure series, the young Lieutenant Romulus Buckle faces his first great test under fire when his armed trader airship Bromhead is attacked and boarded by pirates.

The Chronicles of the Pneumatic Zeppelin steampunk novel series follows the adventures of a war zeppelin crew across the skies of a post-apocalyptic California. Humanity has barely survived total extinction during a brutal alien invasion and has built a new Victorian-based, steam-powered civilization out of the frozen ashes of the old world. With war imminent, Captain Romulus Buckle and the crew of the Pneumatic Zeppelin must navigate a perilous, unknown landscape filled with treacherous enemies and alien beasts on a quest to defeat an evil power so profound it defies the imagination.
