El Sueño del Celta

MARIO VARGAS LLOSA

El Sueño del Celta MARIO VARGAS LLOSA

Aquí se cuenta la peripecia vital de un hombre de leyenda: el irlandés Roger Casement. Héroe y villano, traidor y libertario, moral e inmoral, su figura múltiple se apaga y renace tras su muerte. Casement fue uno de los primeros europeos en denunciar los horrores del colonialismo. De sus viajes al Congo Belga y a la Amazonia sudamericana quedaron dos informes memorables que conmocionaron a la sociedad de su tiempo. Estos dos viajes y lo que allí vio cambiarían a Casement para siempre, haciéndole emprender otra travesía, en este caso intelectual y cívica, tanto o más devastadora. La que lo llevó a enfrentarse a una Inglaterra a la que admiraba y a militar activamente en la causa del nacionalismo irlandés. También en la intimidad, Roger Casement fue un personaje múltiple: la publicación de fragmentos de unos diarios, de veracidad dudosa, en los últimos días de su vida, airearon unas escabrosas aventuras sexuales que le valieron el desprecio de muchos compatriotas. El sueño del celta, describe una aventura existencial, en la que la oscuridad del alma humana aparece en su estado más puro y, por tanto, más enfangado. Una novela mayor de Mario Vargas Llosa.
