Hitler's Last Days: The Death of the Nazi Regime and the World's Most Notorious Dictator Bill O'Reilly

By early 1945 the destruction of the German Nazi state seems certain. The Allied forces, led by American generals George S. Patton and Dwight D. Eisenhower, are gaining control of Europe, leaving German leaders scrambling. Facing defeat, Adolf Hitler flees to a secret bunker with his new wife, Eva Braun, and his beloved dog, Blondi. It is there that all three would meet their ends, thus ending the Third Reich and one of the darkest chapters of history.

Hitler's Last Days is a gripping account of the death of one of the most reviled villains of the 20th century - a man whose regime of murder and terror haunts the world even today. Adapted from Bill O'Reilly's historical thriller *Killing Patton*, this audiobook will have young listeners - and grown-ups, too - hooked on history.
