Self Determination: An Examination of the Question and Its Application to the African American People James Forman

In the effort to end racial divisions and to bring equality to African-Americans and other ethnic groups in the US, Forman offers a detailed analysis and history of self-determination, and a clear definition of what is required, for a group of people to constitute a nation. An explanation is presented of why the African-American people constitute an oppressed nation within the area of the US known as the Black Belt. The call is made for autonomy for the African-American people under existing governmental structures.
