The Education of the Southern Belle: Higher Education and Student Socialization in the Antebellum South Christie Anne Farnham

The American South before the Civil War was the site of an unprecedented social experiment in women's education. The South offered women an education explicitly designed to be equivalent to that of men, while maintaining and nurturing the gender conventions epitomized by the ideal of the Southern belle. This groundbreaking work provides us with an intimate picture of the entire social experience of antebellum women's colleges and seminaries in the South, analyzing the impact of these colleges upon the cultural construction of femininity among white Southern women, and their legacy for higher education. Christie Farnham investigates the contradiction involved in using a male-defined curricula to educate females, and explores how educators denied these incongruities. She also examines the impact of slavery on faculty and students. The emotional life of students is revealed through correspondence, journals, and scrapbooks, highlighting the role of sororities and romantic friendships among female pupils. Farnham ends with an analysis of how the end of the Civil War resulted in a failure to keep up with the advances that had been achieved in women's education. The most comprehensive history of this brief and unique period of reform to date, *The Education of the Southern Belle* is must reading for anyone interested in women's studies, Southern history, the history of American education, and female friendship.

Donna Kerns:

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this The Education of the Southern Belle: Higher Education and Student Socialization in the Antebellum South can make you really feel more interested to read.

Victor Elias:

What is your hobby? Have you heard that will question when you got learners? We believe that that concern was given by teacher for their students. Many kinds of hobby, Every person has different hobby. So you know that little person like reading or as reading through become their hobby. You should know that reading is very important in addition to book as to be the factor. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You see good news or update concerning something by book. Many

kinds of books that can you take to be your object. One of them is The Education of the Southern Belle: Higher Education and Student Socialization in the Antebellum South.
