Caught In The Cabin: Cuckolding My Husband Kayla Cummings

How much trouble could two people in a secluded cabin get into?

A secluded hunting cabin isn't exactly Sarah's idea of a good time... It's a good thing her husband's best friend Travis is laid up with a hurt leg to keep her company.

Their chemistry is **instant, and forbidden**. After an escaped dog and a muddy mishap, they discover that there's only one shower in the cabin ...Where things between them get **steamy**.

After moving into the master bedroom, they can't keep their hands off each other, and Travis helps Sarah discovers new, intense pleasure she hasn't experienced before. Sarah and Travis **don't even stop when Sarah's husband Don walks in on them!** Don doesn't stop them, but he is willing to clean up his best friend's **sticky mess**, after watching his best friend and wife **go all the way!**

A little bit romantic and a whole lot of naughty, this 6,800+ word story is intended for mature readers only.
