Here is a hot sample of what's inside:

Lily had expected to go limp like she usually did after an orgasm but the almost maddening feeling of him inside her insured that she did not. She wanted more, she needed more and her nails raked his skin as he pulled out of her and looked down at his cock. It glistened and shone with her fluids and he spoke again. "I think it needs to be a little wetter."

She opened her mouth obediently. His cock filled her throat, rubbed against her palate. She smelled her own fluids, and tasted their sweet-salty flavor as well as he fucked her face for a few moments and then withdrew again.
