Finding True Love For Christmas: A True Christian Romance For Christmas James Grey

"**Finding True Love For Christmas**" tells you the simple story of a man who finds his true love, just in time for Christmas. This is not just a personal story; it is relevant to most people of the present times who are too involved in their work and hardly give themselves any time to enjoy life, as it should be. We all run after money, and then more money and thus, we tend to forget that money alone cannot make our life complete and that, we need someone by our side to enjoy life to its fullest.

When two people share a **genuine love** they are perfect for each other but without that special person, we are just like a shell, without the soul. Therefore, if you do not want to spend this Christmas being as lonely as the last one, you should make efforts to comprehend what mistakes you committed and how you can correct them so that you can find the love of your life.

Love does not happen automatically. You need to give some time to yourself and to your life to find that perfect partner for you. This book tells you the story of two people, finding their 'lives' just in time for Christmas.
